Wooden Cutlery Brochure

Our Cutlery

At Little Eco we only supply the most sustainable products that are of the highest quality.

Your business is in safe hands when you choose us as your supplier due to our products having the following properties:

Wooden Forks

Our suppliers' wooden forks exemplify the perfect blend of sustainability, functionality, and elegance. Sourced from responsibly managed forests, these forks are made from high-quality, renewable wood that offers a durable and eco-friendly alternative to plastic cutlery. Each fork is crafted with precision to ensure a smooth, splinter-free finish, providing a comfortable dining experience. These biodegradable utensils not only reduce plastic waste but also decompose naturally, leaving no harmful residues behind. Ideal for both casual and upscale dining settings, our wooden forks are a testament to our commitment to sustainability and our dedication to offering environmentally responsible products.

Cutlery Sets

Our suppliers' 3-in-1 and 4-in-1 wooden cutlery sets with napkin are designed for ultimate convenience and sustainability. These innovative sets typically include a fork, knife, and spoon, with the 4-in-1 option adding a napkin for added practicality. Each piece of cutlery is made from high-quality, responsibly sourced wood, ensuring durability and providing an eco-friendly alternative to disposable plastic cutlery. The napkins are crafted from recycled or sustainably sourced materials, further enhancing the environmental benefits of these sets. Perfect for picnics, takeout, or catered events, these all-in-one sets offer a comprehensive and stylish solution for on-the-go dining.

3 IN 1 Meal Set

Product Code: GS-TIOMS
Size(mm): 160MM

4 IN 1 Meal Set

Product Code: GS-FIOMS
Size(mm): 160MM

Wooden Drink Stirrers

Our suppliers' wooden drink stirrers are a perfect blend of sustainability, functionality, and style. Sourced from responsibly managed forests, these stirrers are made from high-quality, renewable wood, offering a natural and eco-friendly alternative to plastic stirrers. Each stirrer is crafted to be smooth and durable, ensuring it performs well whether you're mixing hot beverages like coffee and tea or cold drinks like cocktails and iced tea. Their minimalist design adds a touch of elegance to any drink presentation, making them ideal for cafes, restaurants, bars, and special events. Fully biodegradable, these wooden stirrers break down naturally, leaving no harmful residues and helping to reduce plastic waste.
